No problem. I took it off and will just plan to circle back when you return and probably get the 29th.

I am so sorry. I jumped the gun. I will need to check with Thomas. I think his wedding is that week. I'll have to get back with you gentlemen.

MAIL / DMS

I have some expectation that the 29th will open up, but it hasn't yet. We will know by the time Lessie returns to her office. Sorry this is so difficult. A lot of moving parts, apparently.

August 14 works for me. 10:00 preferred. If that doesn't work, then August 29 would work.

Okay, here's where we are right now. August 14 has been cleared, and we could have our choice of 10 AM or 2 PM. If neither of those times work for you, we can revisit when Lessie returns to the office. Please let me know.

Thanks Fredric.

Randall, we are also available on August 8th. Thank you!

Our emails crossed. We have agreed on August 8 because I had a conflict clear that date.

Is that date available?

Lessie, I am still waiting to hear from our folks who handle scheduling about whether we can get that date that you requested. I am not totally sure I will know that today. But either way, I will issue a directive, probably tomorrow, canceling the August 1 hearing, and if we don't have the date nailed down yet, I will get back with you both on rescheduling when you return.

I'll try to take care of both the cancellation and the rescheduling in the same Standing Hearing Examiner Directive today or tomorrow. Thanks!

Thank you.

While we are working on getting a new hearing date confirmed, could we please have the current one scheduled for August 1 cancelled? I, along with Thomas McGill, will be out of the state on that date.

Thank you,
 Lessie

Randall:

I have discussed with Fredric, and we are in agreement to request to reschedule the hearing in this matter. We, along with Thomas McGill, are available Wednesday, August 29 if that suits the Commission. Will you let us know at your earliest convenience? Also, please let me know if you would like for me to file a formal request via DMS.

Thank you,
Lessie Hammonds
